

## INNFORAPENNY II

Former Lightwave 38' owners, Peter and Penny recently took delivery of their new Lightwave 45' Sports Cruiser and have just set sail on their two year voyage around the world. "We were originally drawn to the Lightwave for its sexy appeal and six star qualities. The Lightwave is a real head-turner and not only is it the best-looking cat on the market, but also a true performer. We are proud to continue our Lightwave ownership with the new Lightwave 45' Sports Cruiser and congratulate Lightwave on delivering yet another showcase design". Peter and Penny aptly named their Lightwave 45' 'INNFORAPENNY II' a namesake after their first Lightwave 'INNFORAPENNY'.
